

ALLISON TANT

for Florida House, District 9

A Fighter for All of Us

**COVID-19 has affected all of us.
Allison Tant will fight to get us back
on our feet.**

ALLISON TANT:

- Founder of KEYS, a scholarship program that has raised more than \$405,000 and awarded 200 scholarships to students with disabilities
 - Co-founder of an acclaimed summer institute for disabled young adults to learn life, social, and independence skills
 - Founder and active board member of Independence Landing, which will build a planned community with amenities for individuals with intellectual disabilities
 - Member of Leon County Schools' Adult & Community Education Advisory Board
 - Former board member of Big Brothers Big Sisters
- Allison Tant understands the financial pressures that the pandemic has put small businesses and working families under, and will fight to make sure that "Main Street" has the same access to assistance as large corporations. She will fight for working families, many of whom work two or three jobs but are one medical emergency away from financial ruin, by making quality health care affordable and accessible for all Floridians.
- In the State House, she'll focus on fighting to:**
- 
-  Protect residents from COVID-19
 -  Get people back to work safely
 -  Expand Medicaid, making health care more affordable

“We need a leader who takes this crisis seriously. Who will fight for the health and economic well-being of families like ours.

That's why we need

Allison Tant.”
